Description

Discover the perfect blend of opportunity and design with this expansive 3.2-acre parcel of prime land, ready to become the site of your dream home. It's no wonder the Santa Barbara model is a homeowner favorite! The openness of the floor plan keeps the whole family connected, and when mom and dad need a break, their owner's retreat provides the peace and quiet they crave. The huge walk-in pantry with a window lets in plenty of light, making it easy to see everything on hand before making your grocery list. Plus, the convenient laundry room has a door that connects directly to the owner's walk-in closet, streamlining your daily routine. The flexible room offers endless possibilities, whether you envision it as a dining room, home office, music room, or playroom. Located in an up-and-coming area, this raw land offers endless possibilities for customization and development, providing ample space for a luxurious residence, lush gardens, and outdoor living spaces. Surrounded by picturesque landscapes and mature trees, this serene setting offers a peaceful retreat from the hustle and bustle, while the versatile terrain featuring a mix of flat and gently rolling land makes it ideal for a variety of building options and landscaping designs. With easy access to essential utilities, the building process will be seamless and efficient. This property is a rare find in a highly sought-after location don't miss the chance to build the home of your dreams. Schedule your visit today and start envisioning your future in this idyllic setting! Partnered with Schumacher Homes; images may be shown with optional features and pricing may vary.
