Description

Located in the ever desirable Five Forks area, this classic home is perfect for anyone seeking convenience. The inside of the home features hardwood floors throughout the first level. The primary bedroom and en suite bath are found on the first floor as well. An additional bedroom, which was previously used as an office, is also located on the first floor. The large living room has a gas fireplace and a wall of windows and french doors that showcase the beautiful backyard and allow an abundance of natural light into the open floor plan. The kitchen has all new appliances that will pass with the sale and new granite countertops. Just off the dining space is a wonderful screened porch. To finish out the first floor you have a very large laundry room with double closets for storage and best of all the washer and dryer will pass with the sale! Upstairs you will find an additional bedroom with a full bath and a space that could be used as a 4th bedroom. The real star of the show is the backyard. A brick patio stretches the length of the house and beyond that you have a gravel path leading to abundant flower beds and a fire pit. If you love gardening this home will be the perfect spot for you!
