Description

Beautiful remodel by Carolopolis Award-winning renovation team! Home was originally built in approx. 1930 and has been extensively rebuilt with a 400 sf addition on the rear of the home. Now a perfect 2000 sf traditional family home in downtown Charleston with off-street parking, front porch, huge rear yard and chef's kitchen. Much of the original multi-piece window trim and original doors were left in place. The original pine floors were restored in existing areas of the home with new floors in the addition. Killians Street is a quiet side street off Ashley Ave in Westside just around the corner from neighborhood coffee and breakfast spots Daps and Little Line. Live, work, eat, play with room to grow!
