## Description

Don't miss this GEM near downtown Greenville!! Stunning and charming hard to find NATURAL STONE bungalow that has been renovated 100% inside and out from crawlspace to roofline. You will fall in love! Walking in, you'll see a spacious, completely renovated kitchen, high top CALACATTA Quartz counter-tops and new kitchen cabinets and appliances. The open floor plan invites you in, the perfect space for entertaining friends and family! The Contemporary LED fireplace and custom decorative wood-accent give this space an elegant touch, on the main level you will find two spacious rooms and a jack-and-jill bathroom, a half bathroom and laundry. The floors of this masterpiece are all hardwood. The second floor will take your breath away, all floor is the Primary-SUITE, vaulted ceilings, two ceiling windows that fill the space with natural light, flex room on your right that could be an office/nursery or loft, keep walking and find the primary room with beautiful ceiling fan and the stunning modern primary suite bathroom, shower with marble/tile, modern freestanding tub, floating dual vanities with high-end light fixtures. The Basement is unfinished but has huge potential. This could be converted to a huge recreation room or could be turned into a 4th bedroom with exterior access double doors, and the rest is been used as the mechanical room and storage space but could be a mens dream cave. The entire house has been re-wired all 3 levels, new electrical panel in and out the home, new architectural shingle roof, FOAM insulation was used in all roof line, fresh paint inside and out, new sheetrock, brand new windows, new two HAVC new driveway and patio and list goes on and on!!! This is a hard to find modern, spacious and updated home that has everything you been looking for with in blocks of downtown Greenville and all it has to give.
