Description

Great Location in The Avenues! This 3BR/2BA Ranch sits on a corner lot and comes with a 50X30 Garage/Workshop, complete with a full kitchen and full bathroom. This gem presents a Formal LR & DR with beautiful HW floors, a large open kitchen with granite countertops, a pantry, and a huge walk-in closet right off the kitchen; perfect for extra storage. (no shortage on storage space here) This charming, all-brick home also provides a dedicated laundry room (full size room with extra cabinets and hide away ironing board). A few exterior features include: a courtyard, 2 covered patio areas, Irrigation well/sprinklers, a storage shed and covered front porch. The workshop/garage studio would be perfect for an office/guest room/ In-law suite or apartment for a college student (separate entrance from house). Who's been looking for a home with a massive workshop close to downtown and not 100 miles out??? Come check this place out now!!
