Description

Lowcountry Living at its Finest! Every inch of this marsh view home was meticulously designed--from the climate-controlled storage under the first floor to the putting green overlooking the marsh. Featuring hardwood floors and 9ft+ ceilings throughout, this home offers luxurious living. Each of the four bedrooms boasts its own private bathroom and walk-in closet. The primary suite and two secondary bedrooms are located on the second floor, while an additional bedroom/mil-suite over the garage includes its own washer and dryer hook-up. Inside, discover a formal living/office space and a formal dining room, currently used as a game room. The open-concept kitchen and family room, with stunning marsh views, are perfect for entertaining. Step outside and unwind on your patio overlooking the Ashley River marsh, complete with a four-hole putting green and a built-in fire pit. Take the back stairs to enjoy the view from the bar-top that stretches the length of the screened porch. Looking for even more porch space? The Charleston Single-style architecture includes two additional porches at the front of the home. Access the climate-controlled storage that spans the entire footprint of the home through the three-car garage. There's also extra storage space for lawn equipment under the screened-in back porch. Don't miss the chance to visit this gem of a home in its charming small neighborhood, complete with a pool and playground.
