Description

BACK ON THE MARKET! Welcome to this beautiful, classic home in convenient location, just minutes from Downtown Greenville. This 3 bedroom/2 bath home with basement level garage has been meticulously maintained and is nestled on a well-manicured lot with mature landscaping. As you enter you will love the stunning hardwood floors throughout the home. The living room features a stately fireplace, multiple built-ins and front wall of windows with plantation shutters. This room welcomes you with warm, natural light. The updated kitchen features sleek wood cabinets with granite countertops. The sunny breakfast room has a butler's pantry and corner windows overlooking the backyard. The pretty wood-paneled den features a second fireplace, oversized mantle and built-ins and exits to the sunroom, which gives you unobstructed views of the gorgeous, private back yard. Bring your fire pit and patio lights to create a delightful entertaining oasis. The primary bedroom has dual closets and built-in drawers, as well as corner windows. The additional 2 bedrooms are nice sized. The two bathrooms have been tastefully updated. One bathroom features a walk-in, tiled shower and the second bathroom has a relaxing jetted tub. The basement garage could also easily be transformed into a "man-cave" or game room. The house is also complete with a Generac whole house generator, so no worries about power outages. The only thing missing from this fantastic home is YOU!
