Description

BIG opportunity on a big house on a big corner lot. Grab it while you can or miss out, bigly! If you know Legend Oaks, then you know Weekly Homes is perhaps the top builder in the neighborhood. This one-owner Weekly Houston plan has the Primary suite down low, plenty of flow and places to go. The interior design complements the traditional craftsman-inspired exterior. Yet it also holds open spaces popular in today's style. Cross the full-front porch into the wide entry hall to find high-class dining space with upgraded trim to the left. That's your memory-maker right there. So much room to feed friends or family. Or to the right, behind double French doors, a perfect home office, just right for today's remote worker! Beyond, find cozy but complete eat-in kitchen. Loads of storage. Gas cooking. Built in microwave. Stone counters, all overlooking soaring two level family room, so light and airy. The primary suite is on the main floor and features wood floors and bay window overlooking the back yard. Ensuite has separate soaking tub and shower, plus a large walk-in closet. Upstairs finds massive living area perfect for games, movies, hangouts. Plus three bedrooms and two baths and walk-in attic storage. It's big up there. If you need space, you need this house. The lot sits high and on the corner of a cul-de-sac. There's plenty of parking and plenty of private, fenced, landscaped yard for you to enjoy. Take your pick of screened porch, extended grilling patio, or "bonus - patio" perfect for fire pit fun. Legend Oaks enjoys award winning schools, and residential members can enjoy the neighborhood's many amenities.
