Description

Discover the ideal combination of classic charm and contemporary updates at 101 Mabry in Spartanburg's desirable Hillbrook Forest neighborhood. This beautifully updated home features a fully remodeled kitchen with quartz countertops, new cabinets, a built-in pantry, an island with storage, and an open-concept design after removing the wall between the kitchen and dining room. Recent upgrades include new porcelain flooring throughout the main level, fresh carpet in upstairs bedrooms and hallways, shiplap accents, molding in the front entryway, and updated light fixtures with can lighting in nearly every room. The lower level offers a cozy den, a revamped basement bathroom featuring a new walk-in tile shower, a built-in closet, and a reconfigured layout for added privacy. Additional improvements include a new pool liner, ladder, and salt cell, a newly added deck off the kitchen, structural steel support beams, a humidifier with a moisture barrier in the crawlspace, and scraped ceilings. The outdoor space is equally impressive, with a charming bridge over a small creek and an outdoor storage building with electric. With every detail thoughtfully upgraded, this home is a must-see—schedule your private showing today!
