Description

Isle of Palms & Sullivan's Island property owners this is your chance to have a boat slip in your back yard. Lowest priced boat slip with a amazing location at Breach Inlet. This marina is located right behind The Boathouse Restaurant & this particular slip is one of the premium wet slips. B-9 slip (23.4 length x 8.4 wide) is one of the few that has a dock finger side tie so you can just walk up the marina, and hop in your boat. The marina also allows for a drive-on jet dock to get your beloved boat out of the water. This slip has very easy ingress & egress. The Two Islands marina (as it's known) was totally rebuilt in 2023, offering water, as well as both 20 & 50 amp electrical service. So bring your center console or flats boat.
