## Description

Newly Renovated! This completely gutted and nearly complete 1930s cottage will capture your heart as soon as you see it! Located in Park Circle and walking distance from all it has to offer, 1014 Alamo is the perfect place to call home. With three bedrooms and two full bathrooms, it's certain to accommodate your family's needs. The original fireplace hearth is the focal point of the living room, while the original craftsman archway leads you to your dining room and fully equipped kitchen. Stainless steel appliances, quartz countertops, and tiled backsplash ensure durability for all of your culinary ventures. The hall bathroom gives a nod to the home's original character with penny tile flooring and checkerboard tiled wall surrounding the tub and shower. The owner's bedroom has been meticulously reimaged to include its own en-suite bathroom that showcases tiled flooring and a fully tiled shower with a seamless glass door. Apart from the bathrooms, brand new white oak hardwood floors can be found throughout the entirety of the home-not only allowing for optimal cleaning, but also to preserve the aesthetic of this nearly century old cottage.
