PLUS, there is so much growth opportunity. With a huge lot and a full day-lit basement that's been "vanilla shelled," you can finish the space to suit your exact needs. The area is already heated and cooled and has a functioning bathroom. This home has been newly renovated and updated. Refinished and new flooring. New kitchen appliances. All the major systems have been reviewed and updated as necessary. New windows and doors. Come visit this home and see for yourself. A brand new kitchen to entertain family and friends. Expansive lot is over one and a half acres and has over 200' of frontage on Brushy Creek. The new screen porch and deck overlook the large, level back yard as well as the beautiful creek. On top of all the other great features, the Wildaire neighborhood is one of the most desired neighborhoods in the area and 102 Ramblewood sits on a culdesac with several other beautiful homes with friendly neighbors. If you don't know this location, you should. Highly convenient to downtown, I-385, shopping, grocery stores, gyms, restaurants, schools, and almost anything else you might need.
