## Description

Welcome to 102 Red Maple Circle—a well-designed 3-bedroom, 2.5-bath home set on just over half an acre in an established Easley neighborhood. This thoughtfully laid-out home offers nearly 2,500 square feet of comfortable living space, with smart room placement and a spacious, flowing floor plan that suits both daily life and entertaining. As you enter through the wide front porch, you're greeted by a foyer that opens into the formal dining area on the right, perfect for gatherings and holiday meals. Straight ahead, the large living room with gas fireplace serves as the heart of the home and provides access to the covered back porch and patio for seamless indoor-outdoor living. The kitchen is conveniently located between the dining room and breakfast nook, offering quartzite countertops, stainless steel appliances, and great cabinet space. A charming breakfast nook overlooks the backyard and opens to the living room and porch—ideal for casual meals and morning coffee. Tucked away on the left side of the home, the private primary suite includes a spacious bedroom, a walk-in closet, dual vanities, and a tiled walk-in shower. On the opposite end of the home are two additional bedrooms with a shared full bath and hallway storage, offering privacy for guests or family members. A dedicated laundry room is located off the kitchen hallway, providing easy access to the oversized two-car garage. Just up the stairs from this hallway, you'll find a large room above the garage—a great space for a playroom, home gym, or media room. Outdoors, the property truly shines. The deep covered back porch opens to a beautifully landscaped yard, a 19.8x17 patio, a garden area, and a detached outbuilding for storage or hobbies. Mature plantings and well-maintained landscaping provide year-round appeal and privacy. Conveniently located near shopping, dining, and schools, this home offers space, comfort, and charm inside and out. Schedule your private showing today to experience it for yourself.
