Enjoy single-level living in this meticulously maintained, custom crafted 3-bedroom, 2.5-bath home where every finish speaks to quality with high end details throughout. From the moment you step inside, honey-toned hardwoods guide you through a sun-drenched, open floor plan anchored by a gas-log fireplace and a striking coffered ceiling. Oversized windows and professionally painted designer hues bathe the living spaces in natural light, while a brand-new, fully screened porch invites year-round lounging and alfresco dining. The gourmet kitchen combines form and function with custom cabinetry, polished granite countertops, and a complete stainless appliance package—perfect for quick weeknight meals or festive gatherings. Retreat to the primary suite featuring a graceful tray ceiling, luxury vinyl plank flooring, dual vanities, and a newly installed custom shower. Two additional bedrooms share a spotless hall bath, offering ample space for guests, hobbies, or a dedicated home office. Set on nearly half an acre, the property boasts a raised garden bed for farm-to-table living, an outbuilding for storage or workshop needs, and an extended driveway with extra pad leading to a finished garage with sleek epoxy flooring. And the freshly painted exterior adds to the incredible curb appeal. Best of all, there's NO HOA, granting you the freedom to truly make the space your own. Proximity to GSP Airport plus I-85 and I-385 keeps Upstate exploration and daily commutes simple. Elegant yet warm. Functional yet striking —this home delivers the lifestyle you've been waiting for. AND a one year paid subscription for lawn maintenance, weed control, and fertilizing through Nature Scape also conveys!
