Disappearing

## Description

Welcome to Hunters Ridge—where life's a little easier, and your lawncare days are officially over. This stunning home isn't just move-in ready... it's showing off a bit. From the moment you stroll through the tall gate and down the custom-stamped concrete walkway (fancy, right?), you'll know you're somewhere special. Inside, get ready to say "wow" to elegant touches like plantation shutters on every window, crown molding that says "I've got class," and lighting fixtures that are more stylish than your Instagram feed. The living and dining room combo is massive, perfect for hosting or just kicking back with your favorite show and a bowl of popcorn by the gas log fireplace. Beautiful hardwood floors tie it all together like a warm hug for your feet. The kitchen? Oh yeah—it's sleek with granite counters, a tiled backsplash, GE stainless appliances that would make any chef smile, and a pantry to stash all your secret snacks. You'll love the spacious walk-in laundry room (because laundry isn't fun, but this room makes it tolerable) with extra cabinets for storage galore. Step outside to your large deck that overlooks a charming backyard bursting with "secret garden" vibes. The main-level owner's suite is what dreams are made of—huge custom walk-in closet, spa-worthy bath with double sinks, granite counters, a walk-in shower, and lighting that makes you look good even before coffee. Another main-level bedroom and full bath make for great guest space or a cozy home office. Upstairs? You've got options. A loft area ready for your next hobby, home office, or reading nook, plus a third bedroom with its own walk-in closet and full bath. Perk: walk-out attic storage so you can finally organize those holiday bins. The garage is spotless—epoxy floors, built-in cabinets, and attic access for even more storage (because let's be real, we all have "stuff"). All this inside a gated community loaded with goodies: pool, clubhouse, tennis, pickleball, 7-acre park, walking trail, and more. You're minutes from downtown Travelers Rest, the Swamp Rabbit Trail, and just a quick cruise to downtown Greenville. Location? Check. Style? Double check. No yard work? Triple check. Let's get you in this home before someone else swipes it!
