Description

A lovely craftsman home on one of Andrews' prettiest blocks. Meticulously cared for over the years, this charming old home has been updated and is ready for a new family to enjoy it. From the wide front porch, you're greeted by a foyer and a beautiful staircase. To the right is the living area with a bay window and a fireplace. The area has been opened up to the kitchen, which is divided by a dining area. Opposite of the foyer is the primary suite, which also has a bay window. Beyond the bedroom the primary bath with a claw foot tub. Upstairs there are three bedrooms and a bathroom. For an older home, this one has lots of closet and storage space! A large deck is located off the back of the home and overlooks the partially fenced backyard.
