Description

Lafaye Custom Homes is excited to present The Ocoee, meticulously crafted and nestled within WhiteWater Landing, Lake Murray's newest master-planned lake community. This Modern Farmhouse Design offers spacious and inviting open-concept common areas, perfect for gatherings. Upon entering from the garage, you'll encounter the essential mudroom with built-ins. The kitchen is fully equipped with a Bosch appliance package, a farmhouse sink, large island, and a convenient walk-in pantry. The living room features a custom-designed mantel fireplace, and hardwood flooring extends throughout the main level (excluding bath areas that contain tile). The Owner's Suite, situated directly off the living room, provides a private retreat, complete with a freestanding tub, double vanity, walk-in tile shower, and expansive closet. Upstairs, you'll find three bedrooms, one with an en suite and another set that share a bathroom. Additionally, you will find a large finished room over the garage ideal for a media room, storage, or even an additional bedroom. WhiteWater Landing offers exclusive amenities, including a private community pool and green spaces.
