Description

Built in 2020 and nestled within close proximity of the gates of Carolina Country Club, this exceptional home blends timeless elegance with effortless livability. A welcoming front porch and stately double doors set the tone, inviting you into a beautifully designed space where comfort and sophistication meet. The living area, featuring a coffered ceiling and central fireplace, flows seamlessly into a chef's kitchen—complete with premium appliances, gleaming marble countertops, oversized island, and custom cabinetry with accent lighting. Just beyond, a formal dining room awaits, while an additional four-seasons sunroom (with three points of access from the interior) extends to the backyard, creating the perfect setting for lively gatherings or quiet moments of retreat. The primary suite is a sanctuary of its own, featuring a tray ceiling and a spa-like bath with a soaking tub, glass shower, separate water closet, and generous marble counter space. This home also includes a dedicated home office for the executive, along with two additional secondary bedrooms and two full baths on the main level. The loft suite, completed this past year, provides endless possibilities for a media room, guest retreat, or private escape with a full bathroom included. Thoughtfully designed with both comfort and function in mind, this home provides a full laundry room with sink and cabinetry, a drop zone, and an enormous walk-in pantry with ample space for a second refrigerator and small appliances. Step outside to an expansive, fenced backyard where an in-ground stone fire pit invites evenings under the stars. The oversized garage easily accommodates two vehicles, a golf cart, and lawn equipment ensuring room for everything you need. From morning coffee on the front porch to fireside conversations under the nighttime sky, this home was designed for those who “love to live where they play.” Schedule your private tour today!
