## Description

Welcome to this stunning 4-bedroom, 4.5-bath custom-built home, where timeless farmhouse style meets exceptional modern craftsmanship. Perfectly situated on a beautifully manicured half-acre+ lot, this property offers the space, elegance, and upgrades today's buyers dream of. From the moment you step into the grand two-story foyer, you'll feel the difference—LVP flooring, wrought iron stair railings, and an abundance of natural light set a welcoming tone. The open-concept main living area is anchored by a shiplap fireplace with a solid wood mantle, framed by custom built-in cabinetry and floating shelves, all beautifully lit by farmhouse-style lighting. The kitchen is a showstopper—featuring a large center island, granite countertops, decorative tiled backsplash, apron-front sink, custom vent hood, and a gorgeous gas range—perfect for home chefs and entertainers alike. Just off the kitchen, a well-planned mudroom includes a drop zone and spacious laundry area for added convenience. The home's thoughtfully designed floorplan includes both the primary suite and a guest suite on the main level, offering comfort and privacy. The primary bedroom is both spacious and cozy, complete with a custom window bench perfect for lounging or reading. Enter the en suite through a sliding barn door and enjoy the frameless glass shower, freestanding soaking tub, and an expansive walk-in closet with custom cabinetry and shelving. The main-level guest suite features its own private bath, making it ideal for visitors or multi-generational living. Upstairs, you'll find two additional bedrooms, each with their own full baths, along with a large flex room—perfect for a playroom, media space, or home office. Plus, there's ample unfinished attic space, ideal for storage or future expansion. The backyard is your very own private oasis, complete with a vaulted, screened-in porch featuring epoxied floors, an extended patio with a SunSetter awning, and a 12x20 powered storage shed. The fenced-in backyard offers space, privacy, and serenity. Even the finished two-car garage has been upgraded with epoxy flooring and a mini-split HVAC system, perfect for a workshop or gym. And for true peace of mind—this home includes a 26KW whole-house Generac generator, professionally installed to ensure uninterrupted power no matter the weather. No expense was spared in creating this one-of-a-kind residence. From its thoughtful floorplan to its top-of-the-line upgrades, this home is ready to impress. All of this wrapped up in a convenient location just minutes to I-85 and zoned in the highly desirable Wren school district! Don't miss your chance to own this exquisite custom home—schedule your private showing today!
