Description

Single level living at its finest! 105 Baldwin Creek Way is a full brick ranch with a Sun Room that also has a Flex Room upstairs. This open concept welcomes you with gleaming hardwoods and a stylish color scheme. A soaring vaulted ceiling creates more space in the Family Room, where you will love gathering around the gas log fireplace on chilly evenings. A window opening to the Kitchen means the chef can be a part of the conversation and fun. Granite counters with a diamond pattern backsplash, honey-toned cabinetry, a sleek stainless appliance package, and LVP flooring create an aesthetic and functional space for meal prep. The adjacent Dining Area features a bay window and a modern fabric pendant light. Additionally, there is a fabulous tiled Sun Room, where you will love reading, visiting with friends, or enjoying coffee and the sights of nature in the backyard. The Bedrooms all line along the left of the home. The spacious Owner's Suite is tucked away with a personal Bath and walk-in closet. Two additional Bedrooms share the central hall Bath, and the nearby Laundry comes with a washer and dryer! Upstairs is a Flex Room that will be a great Rec, Media, or Craft Room. You will love sunning on the rear Patio or playing in the sizeable yard that backs to a flowing creek! With a location convenient to Fairview Rd, downtown Simpsonville, and I-385, every amenity your family needs is at your fingertips. Call now for our own tour!
