Description

Welcome home to our newest community, Double Springs! The Sullivan floor plan is under construction and estimated to be complete in April 2025. This beautiful home sits on over a 1/2 acre and was thoughtfully placed on the homesite ensuring its owners will have room to build a pool at a later date. With only 26 homes and larger homesites, you will not be sharing sugar with your neighbor from the kitchen window! Enjoy the walking/nature trail and keep your eyes peeled for views of Paris Mountain. This thoughtfully designed, craftsman style home has elegant lines and designer finishes, ensuring a blend of aesthetic appeal and practicality. The gourmet kitchen, oversized island and outdoor patio are perfect features for entertaining and cooking. The primary suite is the only bedroom on the main floor giving you plenty of privacy. Work from home? No problem! You will have the ability to choose between 2 different flex rooms. This, surely, will give you the space you have been looking for. You will be situated 13 minutes from Paris Mountain and downtown Travelers Rest, 12 minutes from the grocery store, and a 1/2 hour from downtown Greenville. You know what they say, "Location! Location! Location!" Imagine being out of the hustle and bustle, but still close to everything. Stop imagining. We can make your dreams come true!
