Description

So much house for the money. Compare for yourself. 4 bedrooms AND a 550 sqft bonus room upstairs that can easily be a 5th bedroom or a great media room, or space for crafts, or kids retreat. Downstairs, you'll enter this traditional designed home into a large open foyer leading to a living room, dining room, family room, and eat in kitchen. You'll also find a separate office with built in shelving and cabinets. The kitchen was recently remodeled with lots of handsome cabinets, beautiful quartz countertops, a large pantry, and nicely updated fixtures. The kitchen Island can be used as a handy snack bar. A 10 x 12 all season room off the kitchen is not included in the sqft. It overlooks a nice wood deck and large partially fenced backyard, part of a great big 1/3 acre lot. This home is a great value giving you lots of space for an excellent price. Crowfield Plantation is one of Goose Creek's favorite communities with lots of amenities and popular schools. Enjoy miles of biker/hiker trails, parks and a neighborhood pool (extra fee). You'll also appreciate an easy commute compared to the newer mega-neighborhoods. Hurry to see this great home. More good stuff to know. The roof is about 8 years old. The AC units are about 2 and 3 years old. The FROG upstairs has attic storage on the front and rear of the house.
