Description

Better than new! This beautifully renovated 4-bedroom, 2.5-bath home in the heart of Snee Farm is a true showstopper. All big ticket items have been updated or replaced--roof, windows, HVAC, even floor joists and subflooring! This home is better than new construction as it maintained the charm and character of the original home and neighborhood. Thoughtfully updated with attention to detail, the home welcomes you with a spacious dining room that flows seamlessly into a stunning kitchen, complete with an oversized island ideal for entertaining. Just off the kitchen and dining area is a warm and inviting family room that leads into a bright sunroom, offering serene views of the golf course and the perfect space to relax or entertain year-round. A stylish powder room, laundry area, and an oversized utility room provide both convenience and ample storage on the main floor. Upstairs, the primary suite boasts panoramic golf course views, a generous walk-in closet, and an expansive en suite bathroom with a garden tub and modern finishes. Three additional bedrooms and a full bath featuring playful designer tile complete the second level. Set on a picturesque lot with golf course frontage, this home perfectly combines comfort, style, and lowcountry charm in one of Mount Pleasant's most desirable neighborhoods.
