Description

Welcome to 106 Hiawatha Trail, a versatile mountain retreat located less than half a mile from Table Rock State Park. Nestled on a corner lot of nearly one acre, this property offers THREE separate living spaces, perfect for private living, short-term rentals, or multi-generational use. The primary two-story log cabin features 3 bedrooms and 2 bathrooms, exuding warmth with a wraparound deck, wood-burning fireplace, smooth ceilings, and an open floor plan. In addition, a newly custom-built 1-bedroom, 1-bathroom guest cottage offers modern amenities and unique details, including custom pecan wood accents and a spacious second-level bedroom. The property also includes a two-story detached garage with cedar siding, featuring a partially finished loft with tongue-and-groove pine floors and a large deck, providing the perfect opportunity to create an additional living space or studio. Surrounded by fruit trees and mountains, this property combines natural beauty with modern updates, including new roofs on all structures, a shared well, and energy-efficient HVAC systems. Conveniently located near Lake Jocassee and Lake Keowee, and with no restrictions, this property offers endless potential for investment, relaxation, or outdoor adventure. Don't miss your chance to own this mountain haven—schedule your private tour today!
