Description

Situated at the cusp of three historic boroughs, there is simply no equivalent to this quintessential turnkey residence, where 1890s elegance meets timeless sophistication. Option to be sold furnished with separate bill of sale, this exceptional condominium offers the perfect balance of refined living just one block from King Street, in an X-flood zone. Recently undergoing a \$178,000 renovation (2024-2025), every inch of this home has been meticulously curated with the finest materials and finishes. Featuring a bespoke selection of premium brands such as Waterworks, Forbes & Lomax, Thibaut, and Schumacher, every detail has been thoughtfully designed for the discerning buyer. Custom cabinetry, an abundance of marble, and walls bathed in natural light further elevate this residence to an unmatched level of sophistication. The integration of these luxurious finishes seamlessly complements the home's rich history and modern sensibility, creating an unparalleled living experience. Enjoy breathtaking views of the Cathedral and steeple from both the north and south sides of the property's private outdoor living spaces. The gentle sounds of carriage horse hooves and the tolling of nearby church bells add to the charm of this idyllic setting. The property is beautifully framed by Peggy Martin climbing roses, vibrant pink crepe myrtles (which will soon be in bloom next month), and a newly traditional front garden to be installed next week, further enhancing the serene atmosphere. The driveway offers off-street parking, and you will receive two City of Charleston residential decals for additional street parking. The shared gated courtyard is the perfect place to unwind or play with furry friends. 106 Queen B presents a sense of space that exceeds its square footage, exemplifying exquisite design. Schedule your showing today and indulge in the ultimate Downtown luxury lifestyle.
