Description

Welcome home to this beautiful two-story residence, where classic design meets modern luxury. Nestled in a picturesque setting, the home's inviting gray siding and striking red front door greet you with warmth and style. Step inside to discover an elegant interior featuring coffered ceilings in the dining area, and luxurious LVP flooring throughout the main level. The gourmet kitchen, complete with stainless steel appliances, granite countertops, and a chic tile backsplash, flows seamlessly into the living space, highlighted by a cozy gas fireplace perfect for relaxing evenings. The thoughtfully designed office provides a secluded spot for productivity while an airy loft offers versatility as an additional bedroom or playful retreat. The spacious bedrooms include custom California closets, ensuring ample storage. Meanwhile, the pristine bathrooms boast stylish finishes. Outdoors, a full irrigation system, a screened-in porch and separate grilling pad overlooks a lush, fenced backyard ideal for unwinding. Completing this gem is a tandem three-car garage with professionally installed epoxy flooring and convenient locker storage. All of this and walking distance to the new Point Hope Commons shopping center (includes a new Publix) and Philip Simmons schools K-12.
