The owners have brought this adorable home back to life through a complete renovation and it is now available and ready for someone to call it home. This home has been completely gutted down to the core and basically rebuilt. Sitting on a little less than half an acre with no hoa fees or restrictions, this home features an open floor plan with plenty of room for family gathering. The kitchen is spacious and includes a walk-in pantry and tons of cabinets and counter space. Down the hall you will find 3 bedrooms with gleaming hardwood floors. The master bedroom has an ensuite bath featuring a beautiful tiled shower and floors that also opens up to the hallway. Each bedroom has its own mini split heat and air system as well as the living room. These units act as a heater, ac unit and dehumidifier all in one. The list of renovations is too long to list but includes all new plumbing, electrical, windows, walls, flooring, insulation, roof, siding, deck, hot water heater, mini split systems, vapor barrier and much more. The home has been painted with a beautiful neutral color and is now ready for you to see.
