Description

Wonderful opportunity to own a one-owner home in Country Club Estates on a large golf course lot. This lovely brick home has a wonderful layout and offers lots of possibilities! The original eat-in kitchen is spacious and has an abundance of natural light. A large window overlooking the spacious backyard is the perfect spot for a large table for family and guests. The formal dining room and living room have attractive hardwood flooring, and both rooms would be great for entertaining! The family room has a fireplace and a wet bar with a retro red sink. The master bedroom is downstairs as well as the laundry room. Upstairs there are three bedrooms and two bathrooms. There is also a large flex space that provides a great spot for a secondary family room, a playroom, or perfect for a playroom, or perfect for a pool table. Large enough lot to accommodate an ancillary structure (garage, cottage, or garage/cottage combination). Town of Summerville has indicated they would look favorably upon approving an ancillary structure depending upon size and scope of the structure. This sought after neighborhood is a one-of-a-kind place to call home!
