Description

Welcome to one of the largest most beautiful lots in Snee Farm Village. Completed in 2021 this very desirable floor plan has it all. A wrap around front porch welcomes you to the front door. Upon entering you step inside the spacious living/dining room complete with a gas fireplace, soaring ceiling heights, and lots of natural light. The chef's kitchen is equipped with a vintage inspired Big Chill Classic refrigerator, a Bertazzoni Professional Series 6 burner gas range, and custom hood and a walk in pantry. The large quartz island makes the space perfect for hosting guests. The primary bedroom is just steps away with both privacy and indulgence. It offers 2 large closets, a huge bathroom with a free standing soaking tub, walk in marble shower, and separate water closet. Upstairs is the Laundry room, a loft area that is used as an office or flex space and 2 guest rooms shared by a Jack and Jill bathroom. There is plenty of upgrades with this house with an elevator shaft in the kitchen and upstairs hallway a sprinkler/irrigation system installed, whole house surge protector installed and security system. Very walkable neighborhood and lots of green space to enjoy.
