Description

Come check out how open and spacious the main living area is from the open kitchen overlooking the family and dining room to nice natural light that fills the home. The family room has a gas log fireplace and there is a powder room for your guest's convenience. Granite counter tops, island/bar, plenty of cabinet space, and Whirlpool stainless steel appliances all help to create a beautiful and very functional kitchen. Great upstairs design with two secondary bedrooms to one side of the home and a third bedroom just on the other side of the laundry room. With plenty of closet space, The primary bedroom has privacy from the other three bedrooms and features a full bath with double-sinks. The lot backs up to wooded area for extra privacy. The home is Connected smart home package.
