Description

The seller's did all the work, now you get to move right in! This adorable, pet-less, non-HOA, move-in ready home with 3 bedrooms and 2 full bathrooms is located just north of Hwy 29 between Taylors and Greer. As you enter the home, you'll immediately notice the open-concept living most buyers currently desire. The home has a very functional layout with the living and kitchen areas on the right side of the home and all beds/baths down the main hallway to the left. The primary suite is located at the end of the hallway and includes a renovated primary bathroom and large walk-in closet. As you exit the rear of the home, you enter a gardener's paradise! A newly paved patio with a conveying pergola allows you to enjoy evenings outside, while a large shed provides the extra space you need for your tools or extra storage for home goods. Over the past couple years, the sellers have upgraded the attic insulation, expanded the driveway, installed a sprinkler system, installed new vinyl siding, a tankless water heater, new LVP flooring and carpet, a full kitchen renovation, new fans and track lighting, and many other upgrades too numerous to list! Only 15 minutes from downtown Greenville and moments from all the conveniences of Wade Hampton Highway, this home won't last long. Reach out for your private showing today!
