Description

Nestled in the desirable Charleston National subdivision of Mount Pleasant, South Carolina, this charming two-story home offers a blend of comfort and elegance. Built in 1998, the residence boasts 3 bedrooms, 2.5 bathrooms, and a spacious living area on a 0.16-acre lot. The inviting brick-front exterior is complemented by mature trees, providing both privacy and natural beauty. Upon entering, you'll find a formal room with a bay window, perfect for use as an office or dining room. The large family room features a cozy fireplace and opens to a fully renovated (2021) Chef's eat-in kitchen equipped with ample cabinetry, quartz countertops, new stainless-steel appliances, including a smooth-top stove. Upstairs, the master suite offers a private retreat with an updated en-suite bathroom. Two additional bedrooms share a full bathroom, providing comfortable accommodations for family or guests. A versatile bonus room can serve as a fourth bedroom, playroom, or additional living space to suit your needs. Recent renovations also include all new interior paint and newly renovated bathrooms, back deck, new HVAC (2010) ensure a move-in-ready experience. The fenced backyard features a sparkling in-ground pool (2024), and a screened porch with additional new decking, ideal for outdoor relaxation, and is surrounded by mature trees that enhance the home's outdoor privacy. Residents of the Charleston National community enjoy amenities such as a neighborhood swimming pool, playground, and tennis and pickleball courts, all within close proximity to local shops, restaurants, and the beaches of the Low country. This property combines a prime location with thoughtful updates, making it a wonderful place to call home. Charleston National is a master planned community to include 18 Hole Golf Course
