Description

Welcome to 111 Easton Meadow Way! This stunning 4 bedroom 3 bath home is located in a quiet neighborhood on the Eastside of Greenville (just 10 minutes from Downtown Greenville, minutes from 85 and Pelham Rd). As you walk up you will see the quaint front porch that is the perfect place to sit and enjoy the neighbors walking by. When walking through the front door you will love the new (and easy to maintain) luxury vinyl plank floors that stretch through the main areas of the house. The cozy foyer has an adorable window bench seat and extra storage closets. Walk down the hall and you are greeted with the open living area. The gorgeous kitchen features a gas stove top, a built in oven, convection microwave, a large island, quartz countertops, tile backsplash and walk in pantry. The kitchen opens up to the large dining room that is perfect for entertaining guests and Holiday gatherings. The spacious living room is the perfect place to rest and wind down with a gas fireplace and there is even built-in spot lighting to show off your favorite art. Just off the living room you will find the spacious primary bedroom that has a full bathroom complete with granite countertops, tiled bathtub and shower and a large custom walk in closet. This great floorplan is split so that your primary has all the privacy. Down the hall you find the other 3 spacious bedrooms and 2 full baths. Your guest will love the full bath features dual sinks with granite countertops and a separate space for the tiled shower and has tile flooring. The 4th bedroom is located all the way down the hall and could be used as another master as it has it's own private full bathroom with granite countertops, tiled shower and floors. In the 3rd car garage you will find plenty of room to park cars, golf cart or use as storage. But the real treat is found in the fenced-in backyard. This yard has been meticulously landscaped and really becomes an additional living space to the home. The covered porch is the perfect spot to wind down after a long day. And you will love spending nights grilling out on the built in grill. The salt water pool is your own private oasis with a tanning deck, heater, water features (changes colors and fountains) and a relaxing hot tub. The yard is easy to maintain with a full irrigation system. The house is also equipped with blue tooth speakers in the kitchen. If you like to be social, this neighborhood offers monthly food trucks, walks and talks with neighbors and fur friends and yearly neighborhood yard sale. The schools are award winning and the YMCA is within walking distance. This luxurious house is ready to be called your Home Sweet Home.
