Description

This majestic brick home located on a culdesac will check all of the boxes! They just do not build them this solid any more. From the detail in the moulding, tongue and groove hardwood floors and built-ins to the newly renovated bathrooms and updated kitchen, you will see the love that has been shown to this home. The traditional floor plan provides for a flow that is perfect for entertaining and family gatherings. Formal spaces along with less formal rooms are generously sized. Enjoy games and space to spread out in the large flex room and dine outside on the over-sized screened porch that over-looks an exceptionally private back yard. With full yard irrigation and drip zones, it will be possible to enjoy a picturesque lawn and plantings throughout the warmer months . The storage is ample and there's even a workshop area that spans the width of the garage. Sugarmill is loaded with great amenities including clubhouse, pool, and tennis and is located in a zone with award winning schools. This home is located less than 15 minutes from GSP International Airport and only 15+/- minutes from downtown Greer, Haywood Mall and Pelham Rd shopping.
