Description

A truly iconic home with unique architectural features combining the best of traditional style with Lowcountry living. Custom built by award winning builder Max Crosby, this magnificent home, recognized for its quality and craftsmanship must be seen to be fully appreciated. Designed for comfort with ample room for entertaining, the large kitchen is a chef's delight with an oversized Calcutta Gold marble center island and countertops, stainless steel appliances, and a large eat-in area surrounded by windows overlooking the lush, landscaped yard. The kitchen flows into the light-filled living room lined with a marble fireplace and a wall of French doors opening to the back porch and beautiful pool. An additional music, sitting or billiards/game room leads into the custom-built library with painted wood paneling, coffered ceiling and a marble fireplace. The newly renovated butler's pantry/bar flows into the large formal dining room and is equipped with an additional dishwasher, wine refrigerator and sink and boasts hand-trimmed wallpaper with an elegant floral print. The owner's suite with the home's third fireplace is also on the main level and features extensive millwork, a large bathroom, walk-in closet and access to the pool and backyard. The second floor, which can be reached by elevator or custom staircase, features 4 large bedrooms (all with ensuite bathrooms) as well as a "flex space" - perfect for a home office, playroom, art studio or media room. Solid Brazilian hardwood floors grace the entire home along with ten-foot ceilings. The elevator also services the attic which provides large storage space. This pristinely maintained home is perfectly situated on almost half an acre corner lot in Daniel Island Park with a fully fenced yard. A large, covered piazza framed by draped columns has an outdoor bar and pool bath/mud room and overlooks the private backyard oasis. This area offers endless entertainment options with a saltwater pool with built-in fountains and colored lights and mature landscaping. Daniel Island Park amenities include 2 private golf courses, 2 resort style pools, 16 tennis courts, Pickleball Courts, and state of the art fitness center. Community amenities include miles of walking/biking trails, multiple playgrounds, community boat dock, shops, restaurants and the Credit One Stadium - a great venue for concerts and sporting events. Don't miss out on this incredible home in a beautiful community. Schedule your showing today!
