Description

Are you looking for lake life??? This is it! As pull up to this house you will see the oversized driveway, plenty of space for your toys! Especially having NO HOA you can save your money and park your boat or RV on your half acre LOT! Walk up to the brick house to find a great front porch for that morning cup of coffee. Walk inside to find a foyer that will lead you to an UPDATED kitchen with granite countertops, stainless steel appliances, and the coolest sliding barn door! There's a true wood burning fireplace in the living room, and you can walk outside to experience a large covered porch, perfect for backyard BBQ's! The three spacious bedrooms are on the east wing of the home, and on the opposite side is the FROG/flex space upstairs for that "Fourth bedroom" feel. Move in ready is an understatement! This is attention to detail, kitchen is updated, bathrooms are completely updated, even the garage is ready for you to make it a mancave with epoxy floors. You have to come see this house!
