Style

- Villa

Other

- Central

Description

1121 Summerwind has been lovingly renovated in 2023 and 2024 to include a brand new kitchen, new flooring throughout, new roof, new HVAC, new trim, doors and lighting throughout. When entering this stunning villa, you will immediately notice the gorgeous new LVP floors throughout. The kitchen cabinets were replaced, along with open shelving, shiplap trim, beautiful new lighting, white farm sink, stainless steel appliances, and butcher block countertops. The open concept living/dining room is just off the kitchen, and features a shiplap ceiling, with recessed LED lighting, and even a fireplace to enjoy those cooler nights! The screened in porch has been fully enclosed to allow additional dining space, and a relaxing lounge area to enjoy the beautiful tree top views! The enclosed porch area has an additional HVAC unit to cool and heat this area separately. The primary bedroom has beautiful board and batten trim, recessed LED lighting, and a sliding barn door to access the large closet. The primary bathroom has been updated to include a large tile shower and tile floors. The guest bedrooms are on the opposite side of the home, and feature all new trim, new flooring, recessed lighting, and new doors. The two guest bedrooms share a full bath with tile floors and updated tub shower. This beautiful Summerwind will not last!
