Description

This is the Lowcountry Dream Home you have been searching for!!! If you've been dreaming of building a custom home on a large lot, but have been discouraged by the price of land, long time frame to build, and the high cost of custom home construction, then this home is the answer to your prayers. Built in 1999, however, the roof was replaced a month ago, the HVAC is only three years old, and the flooring was upgraded to luxury vinyl plank throughout!!! This house is the definition of Lowcountry Charm, sitting on just under an acre of property, it gives you plenty of room to play, and with no HOA you have the ability to keep your Camper or Boat safely on your property. All of this while being just 30 minutes to the beautiful Atlantic Ocean, Minutes from downtown Historic Conway, and just a short drive from all of the shopping and dining at the Grand Strand has to offer. Do not delay, this home will not last long!!!
