Description

Priced WELL BELOW appraisal! 5 bedrooms, 4 baths, large loft, dining room, and a study - plus tons of upgrades. Why wait for new construction? The eat-in kitchen features granite counters, gas cooktop with range hood and pot filler, built in oven & microwave, large walk-in corner pantry, farmhouse sink, french door refrigerator, tiled backsplash, island, and breakfast bar. Downstairs also features a spacious living area with gas fireplace, separate dining room with coffered ceiling, study w/ french doors, and the first bedroom of many, plus a full bathroom. For extra convenience, there's also a mudroom right next to the garage. And for extra cuteness, there's a "dog house" for your four legged friends, tucked away under the stairs, complete with a light. And now to the upstairs~ The primary suite is absolutely massive and includes a tray ceiling and sizeable sitting area. The primary ensuite bath is well sized and features a large walk-in shower and two separate vanities (no more fighting for counter or cabinet space). The primary suite offers two separate walk in closets plus a mirrored dressing area - and one of the closets even has a small pass through directly to the laundry room for the ultimate in convenience. Upstairs you will also find a spacious loft area, three additional bedrooms with walk in closets, and two full bathrooms. This home truly allows for everyone to have their own space. The home also has a screened in porch, patio with gas connection, full privacy fence, transferrable termite bond, irrigation system, and two car garage - and backs up to a wooded area for extra privacy. Hewing Farms is conveniently located within minutes of many dining and shopping options and offers fantastic amenities, such as a pool, play park, and a putting green. Schedule your showing today!
