Enjoy fresh air on your covered patio, with your charming porch swing, perfect for relaxing evenings. Step into the foyer to find brand new carpet throughout and a freshly painted interior. To your left is a well-equipped kitchen featuring all appliances, ample cabinet storage, and generous countertop space. The convenient powder room and garage access are just off the kitchen. The garage also houses the breaker box, which has been recently updated, along with laundry hookups for an additional laundry area. You even have the option to use the 220v plug for an EV charger. The dining room flows seamlessly into the great room, where soaring ceilings create an open and airy feel. From here, you can access the covered back patio. The downstairs master bedroom features vaulted ceilings, leading to a luxurious ensuite with dual vanities, a separate garden tub, and a shower, all complemented by a spacious closet. Head upstairs to a large loft/flex area that offers endless possibilities. You'll also find two guest bedrooms, a guest bathroom, and a full laundry room on this level.
