Description

Welcome to your new home in a charming, up-and-coming, NO HOA community in the quiet town of Loris! This new development features single-family, one-story homes on spacious 1+acre lots (except for lot 3 & 9), offering the perfect blend of privacy and tranquility. There's something to suit every lifestyle. Each home is thoughtfully designed with modern amenities, including porcelain tile in the primary bathroom, luxury vinyl plank (LVP) flooring throughout the living areas, and cozy carpet in the bedrooms—unless you opt for a change order paid upfront. The kitchens will be equipped with stainless steel appliances, and you'll find elegant granite or quartz countertops. The homes also feature modern crown moldings and trim, adding a touch of sophistication to your living spaces. Homes are expected to be completed summer of 2025. Located near a beautiful horse farm and just a short drive from downtown Loris, you'll enjoy local restaurants and shops, with the beach only 30 minutes away. Refrigerator, washer/dryer, and shower glass door are not included. All completed pics are either renderings OR of another completed home by this builder. Owners are free to bring their recreational toys! Don't miss your chance to be part of this exciting new neighborhood—schedule your visit today! Lender credit at closing to buyer if Builder's preferred lender is used!
