Description

This 2 bedroom 2 bath villa is located in Richmond Park which is a beautiful community with sprawling live oak trees and southern azaleas. The location is fabulous! As you drive towards your home you'll catch a little oceanview amongst the palm trees, and the building is close to a footbridge leading across the scenic lake to the beach access. There are two pools nearby, one private to the community and another at the beach. The sliders off of the living room step out to an oversized deck. The residence is designed for indoor-outdoor enjoyment. The guest room has sliders to another private patio. The backyard is quiet, lush, and a great place for outdoor games or just to step out with a pet. Never rented, this unit has been lovingly used by family and friends for years. You've got a large outdoor storage closet, plenty of storage inside, and a laundry closet with a full size washer and dryer. Enjoy all the convenience of nearby amenities as it is located in Kingston Plantation, a 145 acre gated, oceanfront resort. Everything that you need is here! There are multiple on-site restaurants including the Black Drum Brewery, pools to lounge in, a fitness center to join that offers pickleball courts, tennis courts, a spa, walking paths, a 24 hour security staffed guard gate... and much more! Kingston Plantation promotes a healthy, active, lifestyle nestled among the tranquility of a preserved, natural environment! Once you are here you will never want to leave!
