## Description

Back on the market and better than ever as of May 12, 2025! The seller has been working hard to make this a fully move-in ready home—with fresh paint, new flooring, and thoughtful updates throughout, all set on a spacious 1.5-acre lot. Recent improvements include freshly painted brick skirting, shutters, and deck railings, along with a complete interior repaint for a bright, clean feel. Both the kitchen and bathroom feature new sinks and faucets, and the countertops, cabinets, and bathtub have all been carefully painted to give them a refreshed, modern look. Landscaping has also been touched up, adding to the home's curb appeal. Step inside to find brand-new LVP flooring throughout the home, an updated kitchen, a new water heater, and a large, energy-efficient HVAC unit with professionally cleaned and sanitized vents. You'll appreciate the spacious walk-in closets, cozy fireplace, recessed lighting, and home security system—offering both comfort and peace of mind. Outside, enjoy a fully fenced yard with a designated pet area, covered front and back porches perfect for relaxing, a 4-car carport, and a metal storage shed. Additional features include a pole barn RV shed and a stick-built two-story garage with unfinished flex space above—ideal for a home gym, office, hobby room, or extra storage. The extra lot on the property has been approved for a manufactured home, giving you even more flexibility for future use. Conveniently located just minutes from Walmart, Food Lion, Dollar General, and other local shopping options—and just a short drive to beautiful Lake Greenwood—this home offers the space and updates you've been searching for. Don't miss your chance to make this beautifully refreshed home yours—schedule a showing today! Already seen it? Come back for a second look—new photos are on the way to showcase all the recent improvements!
