## Description

1/2 + acre wooded homesite on a winding gravel road in the small private enclave of Hidden Ponds Reserve. Only 7 miles from Mt. Pleasant conveniences. The Bridgeside has it all! The large chef worthy gourmet kitchen is the heart of the home. The center island will be the hangout space and where your new memories will be made. The dining space and family room with fireplace is open concept and has a 12' slider wall that open to the extended screen porch- bringing the outside in and making entertaining a breeze. The main floor owner's retreat is light and bright and the owner's bath is luxurious with a large walk in shower. The study at the front of the home is a perfect home office or den. There is a main floor secondary bedroom and full bath. Upstairs are two bedrooms that share a full bath. The retreat upstairs can be used to meet your family needs- be it a playroom, media/hangout space, or exercise room. This plan is the same plan as the highly regarded model home in Norwood Oaks.
