Description

With a price hotter than a Charleston sidewalk in July, this elevated 4-bedroom gem in sought-after Hunt Club blends timeless Southern charm with modern upgrades. The main-level primary suite is a true escape--think dual walk-in closets, a spa-worthy soaking tub, and a walk-in shower that practically sings "relax." Upstairs, guests and kids alike will love the en-suite and Jack-and-Jill bedrooms (no sharing drama here). Gorgeous heart-of-pine floors, shiplap details, and a formal dining room deliver classic Lowcountry style, while the eat-in kitchen invites morning coffee and evening catch-ups. The cozy living room centers around a custom fireplace with built-ins, flowing seamlessly to a spacious screened porch and fenced backyard made for breezy nights and backyard bbq. Other major perks? A new roof (2023), water heater (2024), and plenty more peace-of-mind updates, plus an incredible garage. Well.. this isn't just a garage it's a multitasking marvel. Whether you're parking your ride, stashing a small boat, or simply escaping to your happy place, this space does it all with style. Built-in shelving and cabinets keep your gear so organized, even your tools will feel pampered. A cozy hangout zone with stained shiplap walls brings serious charm, perfect for post-project brews or spontaneous gatherings. There's a countertop for tinkering (or snacking we don't judge) and a fridge to keep your beverages cold and your guests happy. With durable flooring and a smart, efficient layout, this garage is part workshop, part lounge, and all-around awesome. Hunt Club isn't just a neighborhood it's a vibe, with community ponds, food truck nights, and close-to-everything convenience.
