## Description

READY NOW!! The Henry floor plan is sized just right for those who are right-sizing their lives. This home blends sensible flow with contemporary style. The open floor plan at the heart of the home flows seamlessly from the kitchen to the dining area to the family room--with no walls to close you in. We've placed the owner's suite by the foyer so that you have a private space away from the main living area and other rooms. The second bedroom at the back of the home shares a full bath with third bedroom. In just over 1,000 square feet, the Henry floor plan gives you all that you need in your home, including the ease to get where you want without stairs or extra steps.
