Description

From the moment you walk in, the real hardwood floors and cozy vibe make it feel like home. The open layout is perfect for everyday living and entertaining. The family room flows seamlessly into the dining area and modern kitchen, creating an inviting space for gatherings. There's also a bright and spacious sitting room—ideal for curling up with a good book or enjoying a peaceful moment. The primary suite is a true retreat. It features his and her walk-in closets and a door that leads to the screened-in porch. The bathroom is equipped with heated floors and a spa-style shower that turns every day into a mini getaway. With three generous bedrooms and a flexible fourth room that's perfect for a home office or guest space, everyone has room to spread out. Upstairs, a large room makes a great spot for teens, a playroom, or a media room—there's space for everyone to unwind. Step outside and enjoy over an acre of space, perfect for relaxing, hosting, or playing. Sip your morning coffee on the screened-in porch or gather around the fire pit on the patio. This backyard is made for making memories. For hobbyists or extra storage, you'll appreciate the two-car attached garage as well as the detached garage, which is heated and cooled. It fits 3-4 cars and includes a built-in workshop—ideal for all your DIY projects and storage needs. This home has so much charm, space, and potential—just waiting for you to make it your own. Come take a look and imagine all the memories you'll create here.
