Description

Wonderful renovated historic home located on the western end of Sullivan's Island. This home was constructed circa 1910 as the living quarters for the Fort Moultrie hospital's nurses. The current owner has completely renovated the home. At just over 2500 heated square feet, the home boasts 3 bedrooms with 3 baths, open kitchen and living area, front room with fireplace, and a side room that can be used as an office or small bedroom. The second level has two bedrooms that share a hall bathroom. Enjoy sitting on the front porch and dreaming of days gone by or just take a short 2 minute walk to access the beach. The new master suite is just off the main living area and was an addition that was completed a few years ago.
