Description

Oh, my, my, what a view and a calming water feature from the porch of this second floor condominium. This compares to living in a tree house!! The picture window in the living room gives an almost panoramic view of the lake with a fountain, the trees around the walking trail and the Teal Lake Village swimming pool across the lake. Your bonus ladies and gentlemen is the package includes a furnished 2 bedroom/2 bath condominium for you to start calling home. The immediate impact as you enter the front door is the immense size of the living room for a condominium. Recent improvements are impressive refinements for the condition of this property. This is as close to turn-key as one can achieve. Easily a permanent home, a vacation home or potential rental, the quiet of the location is almost deafening excluding the songbirds enjoying their habitat. Teal Lake owners have access to three pools. All owners in Tidewater enjoy use of tennis courts, pickle ball courts, multiple pools, a state of the art fitness center and the royal topping of amenities is an ocean front cabana in Cherry Grove which includes exclusive Tidewater parking. Enjoy the magic of living in a gated community with 24 hour security with two watchmen on duty 24/7 days a week. Construction progress may limit access to the amenity center and the owners pool. The renovation is calendared to be completed in 2025. This is currently a hard hat area and off limits.
