## Description

Charming Ground-Floor Condo on Daniel Island! Welcome home to this cozy 2-bedroom, 2-bathroom ground-floor condo in the heart of Daniel Island, SC! Offering 1,144 square feet of comfortable living space, this inviting home features hardwood floors throughout except the tiled baths and kitchen, an open-layout, and ample storage throughout. The spacious living and dining areas flow seamlessly into the kitchen which has plenty of cabinetry and counter space, as well as bar seating, perfect for everyday living and entertaining. The primary suite hosts a sizeable walk-in closet and en-suite bath with tub, while the generous second bedroom offers flexibility for guests or a home office. A second bath offers a tiled shower and convenient guest access. Step outside to your private patio, a perfect spot to enjoy your morning coffee or unwind in the evenings. A quick walk to Daniel Island School or beautiful Smythe Park will lure you further into exploring this charming community providing resort-style amenities, including an exclusive outdoor area just for residents featuring a gazebo, fire pit, tables and built in grills. Additionally, you'll enjoy access to all three pools on Daniel Island, tennis courts, dog parks, and fishing ponds. With shopping, dining, waterfront parks, and easy access to downtown Charleston, this condo offers an easy lifestyle in one of Charleston's most desirable communities.
